

Restaurants:

If you want a quick breakfast, the local gas station has a great grill. That's right, just 3 miles down 903 in an easterly direction will bring you to the gas station on the left. Order at the store counter and pick it up in the grill area. There are tables if you want to eat there.

Lancaster:

Lancaster has the usual fast food places including a SubWay.
There is an AppleBees in Lancaster as well.

The best Mexican is La Chalupa, I do not recommend the other Mexican restaurant in Lancaster.

(We are having a Mexican night at La Chalupa)

775 Lancaster Bypass E, Lancaster, SC 29720.

(Wednesday is Karaoke night, which you may want to avoid)

The best Chinese is Wa Chang

Eat there or take out

Pageland:

Pageland has most of the fast food places as well, including a SubWay.

For Chinese, there is a Chinese restaurant next to the Food Lion called Jin Jin. 715 E McGregor St, Pageland, SC 29728 It is TAKE OUT only.

Waxhaw:

45 minutes from the field, but only 20 minutes from Lancaster.
